Team Project: Lirten ( Task Management - Certification )

Criteria	Completeness	Epic vs User Stories	Format	Priority
Grade	1/3	2/2	2/2	1/1
Reason	Missing consultancy user stories. And missing all admin-based authorization			

Comments on User Stories

User Story Number	Comment
1.1	Technically it's the same as 1.2
2.2	Is an epic as the online evaluation process is complicated. It could be a computerized exam, a coding submission, etc..
3.4	Define eligible technically
3	You're missing some user stories regarding the flow of the consultancy application. A consultancy applies for a task/project as well. Consultancies apply with their analysis/plans.
